the Commission

Corporate Strategy 2019-21

Corporate Strategy 2019 - 2021

Corporate Strategy

- Based on our engagement over the first two years
- Role of the Government in the Strategic Noise Reduction Guidance, CAP1616
- Government's draft Terms of Reference

Our two-year aim

To improve public confidence and trust in the management of aviation noise, by building our expertise, credibility and profile across the UK.

Corporate Strategy

- 2021

Strategic objective 1

Increase trust,
transparency and clarity in
the aviation noise debate

What will we do?

Guidance on consultation

Review of SoNA

Consider noise metrics

Health effects

Strategic objective 2

Promote consistency,
responsibility and
accountability within the
industry and beyond

What will we do?

Look at operational procedures

Review planning guidance

Consider need for regulation

Look at noise mitigation

Incentives to encourage change

Strategic objective 3

Establish our expertise,
authority and credibility

What will we do?

Airspace Modernisation

Planning inquiries

Respond to Secretary of
State on called-in decisions

Deadline for comments:

16 June 2019
